Dear Sir/Madam,

We are pleased to inform you that the following service product with the designation

ROLF KRAFTON S7 M 10W-40
SAE 10W-40

has been approved for MAN commercial vehicles under MAN approval number TUC 1210/19

This approval expires automatically

- if the formulation is changed
- if there are negative results from the field

Changes of any kind in the formulation must be reported to MAN Truck & Bus AG immediately in writing and may require a new approval process, for which the manufacturer must make an application.

The manufacturer or supplier must apply for an extension of the approval in writing. The application must contain confirmation that the formulation is unchanged. In the case of rebrands a written declaration of consent from the previous supplier must be submitted as well.

If the extension is not applied for in good time within the approval period (at least two months prior to expiry of the approval) all reblend approvals and all related rebrands will be deleted from the publicly service product database on the day of expiry of the approval. After expiry of the approval period the product approval can be continued only by way of a new approval procedure, for which a charge will be made.

Yours faithfully,

MAN Truck & Bus AG
